Manufacturer Certification Statement

CGG US TECH CORP certifies that the below products qualify for federal energy tax credit incentives under the Solar Energy Systems/Photovoltaic Systems category as defined in the American Recovery and Reinvestment Act of 2009.

Under this act, homeowners can receive a 30% federal tax credit on qualified photovoltaic equipment and installation costs, with no cap on the claim amount. The products must be installed on a residential home per manufacturer's instructions and meet local fire and electrical codes. Rentals do not qualify. Taxpayers should keep this certification statement for their records but need not submit it with their tax return. This certification is valid for CGG US TECH CORP products installed between January 1, 2022, and December 31, 2032.
